Summer 2008 Camp Report

Dear Friends in Christ:

I would like to start with a note we received from the Camp Manager:

Hi,

Please forward our thanks to all the campers who helped clean up before you all left.

WOW! The camp was spic and span. We appreciate the extra hard work.

It was definitely in better shape when you left than when you arrived.

Kudos to the Episcopalian stewards!

Blessings,

Lori

Family Camp report – Fr. Wilson, Gene Smith, Fr. Bob, Lana Palmer, and Fr. Gordon reported. Camp was felt to be a success, for both young and adult participants, and worth continuing. We already have dates for the next Family Camp, and parishes can plan ahead -- August 10-15, 2009 at the Methodist camp at Eagle River, which is just north of Juneau.

Fr. Wilson suggested that a 'Program Person' should be appointed, to organize games and lead activities. Also, this person could coordinate spiritual retreat activities for adults, and help organize participation by those wishing to vacation in Alaska at our camp.

Thank you,

Fr. Gordon
